EXPERIENCE

KPIT TECHNOLOGIES LTD | WEB DEVELOPER INTERN
Jun 2021 - Mar 2022 | Pune - India
- Developed a web portal for testing new hires in the company which can serve up to 4000 students at a time.
- Being a POC ensured smooth communication between vendor outside the company and the current working team for KPIT NOVA and KPIT Shodh projects and managed to complete the projects within 18% less time than the deadline.
- Developed a multi-purpose bulk emailer that can send up to 1000 emails at a go using a private SMTP server for company usage.

HEX TECH SOFT | WEB DEVELOPER
Feb 2022 - Current | Pune - India
- **Radyance** - Architectured a web application with a teammate for an affiliate marketing startup with razorpay payment integration and deployed on Amazon EC2 instance. - **link**
- Completed various projects of static website development and deployed them.

PROJECTS

THE NEWS WEB APP - link
- Established a website using "the news api" for the latest news and updates.
- Implemented google OAuth and also had a precision for a user to save his/her favourite articles.

A TO-DO WEB APP
- Built a web app for organizing and planning our daily tasks.
- Automated email notifications for users for their tasks categorized as important by them.

A BLOGGING WEBSITE - link
- Developed a blogging website where users can post their blogs and can comment on other blogs with all CRUD operations.
- Used "Semantic UI" framework for styling the webpages.

LIBRARY MANAGEMENT SYSTEM
- Enveloped a Library Management System using HTML, CSS, JS for frontend, NodeJS for backend and MongoDB as a Database.

A BOT - A DISCORD BOT
- Implemented a Discord Bot using discord.js and tensorflow.js which detects the toxic messages in the chat.

VOLUNTEERING

KPIT SPARKLE 2K22 PRE-FINALE
- Served as a volunteer and got a chance to interact with about 100 teams and know about their projects.

KPIT SPARKLE 2K22 GRAND-FINALE
- Supervised a team of 20 jury volunteers and conversed with experts from various fields who were invited as Jury for the event.
